

# MAKING THE ROUNDS

Explore how a data walk can identify areas to reduce your compliance risk

## How it works

- ✓ Arrange an appointment with one of our experienced consultants
- ✓ We will guide you through a data walk of your school with the school business manager, admin officer or headteacher
- ✓ Our report will be uploaded to the DPE Knowledge Bank, where you can easily review advisories and access guidance
- ✓ Schedule a follow-up meeting to discuss any findings and receive recommendations to keep you on the right track

**For all schools and MATs
